*It is with sad heart I have to write to you of the death of our dear mother, which took place 2 weeks ago May 29th. Her suffering latterly over fearful the last month she lived I was up with her night & day never had my clothes off had to have a nurse the last 16 nights to watch with me. I got so tired out as I told you in my last letter she had failed very much the last 12 months but the last days of her life she was confined to her room you know how stout she used to be but she got too nothing but skin and bone you may judge what she got like for the last few weeks of her life. I carried her about in my arms from the bed to the chair. She was quite helpless her last month here you know Ted I am not over much strength. I have enclosed one of her cards. Do write sometime when you receive this but address to me thus, as we are leaving here in a week or so. Miss FISHER, Care of Rev I J Stone, St Pauls Vicarage, Dalstou London. Oh Ted you little know how I miss her there seems such a blank which nothing can fill and nursing of her so long made her terribly dear to me we were as much to each other she did cling to me so particular the last month she was unconscious for 16 hours before death but the last hour she came too she knew me and said O'Dear O'Dear after a little time she said to me lift me up which I did at 5 minutes before 11 in the morning of the 29th she said to me O'Dear in 5 minutes and as the clock struck 11 she breathed her last in my arms. We think as there is now only **Papa & Hayley** left we shall go to Folkestone/Fathestone (sic) to live it is to be settled next week. **Papa** is going tomorrow to look for a place. **Kate and Alf** and their little ones are all quite well. **Jack** was blessed with another **daughter** on the 8th of this month making number (sic) 2. Now Ted I must leave off I truly feel for you losing her and being so far off may she who sent this heavy wish gives the comfort believe me your loving sister.*
