PLEASE NOTE: I had researched the wrong parents of Emma MINCHIN who married John HUNN but when I received a welcomed email pointed me in the right direction and with additional research I can confirm that Emma's correct parents were George and Kezia MINCHIN. I would like to acknowledge and thank Ms Turner for her assistance. I have learnt a new lesson on getting two families mixed up.
P.S. I have left the information about the unrelated family below so that it might assist others who like me started researching the wrong genealogy.
