

WAINUIOMATA WORLD WAR ONE SERVICE PERSONNEL

During World War One around **62** service personnel associated with the Wainuiomata district enlisted for service and/or registered with the First or Second Reserves. The list is made up of **7** (typed in red) who died while serving, **21** who were discharged after service, **1** (typed in blue) defaulter, **7** who registered with the First reserves and **23** with the Second Reserves and **3** (typed in blue) no traces.

From the list there are 7 service personnel who had the address Wainui Avenue. Perhaps the Wainui Hill Road was originally Wainui Avenue but as I am unsure I have placed these service personnel names on the Wainuiomata WWI list. There are also 2 Service Personnel with the address Wainui Road. Again I do not know if they resided on the Lower Hutt side of the Hill or in Wainuiomata. In time I hope to locate which side of the hill these service personnel resided in. Please note that some researchers and/or relatives forwarded additional names to me but for some I have been unable to locate a link to the Wainuiomata district.
