

1853-1862 - Draft Census Upper Hutt Residents

The early New Zealand censuses were destroyed in the 1960s. I have attempted to create a draft census for the period 1853 to 1862.

A collection totalling £776 16s 11d was taken at Upper Hutt for the Lancashire Relief Fund. The details appeared in the Wellington Independent newspaper of 11 December 1862. It listed the names and amounts received from Upper Hutt residents. By transcribing and listing the names of the contributors along with various Directories and Electoral Roll around the same time period I have managed to compile a draft census for the period 1853 to 1862 for the Upper Hutt district. Please note that if a person owned property in Upper Hutt but resided in a different area they were still entitled to register in the Hutt Electoral Roll.
