

1950-1951 Draft Census – Upper Hutt Residents

1951 Census & 1850-1851 Wises NZ Post Office Directory - Electoral Roll

The early New Zealand censuses were destroyed in the 1960s. Over a period of time I hope to recreate the 1951 census and list the residents residing in the Upper Hutt district. By transcribing the names recorded in the Wises Directories, Heretaunga Electoral Roll and School Inspectors reports I hope to locate most of the residents in the Upper Hutt District.

The totals I have from two reports are 3,729 and 6,220. I do not know which figures represent the Upper Hutt Borough or Hutt County for the whole of the Upper Hutt district.

1951 Census - Population of Upper Hutt
