Edith Emily TAYLOR was born about 13 May 1883 in Dunedin. Her parents were Agnes formerly LECKIE and Charles/Thomas TAYLOR. One of Edith's daughters gave me the date of birth for her mother and I located confirmation of the birth date on some of Edith's school records but not all.

I have been unable to locate Edith Emily TAYLOR New Zealand birth registration and/or a baptism to assist in confirming her date and place of birth or parents details.

Agnes's parents Margaret and Stewart LECKIE had a daughter Edith Jane LECKIE who was born 04 January 1883 New Street Dunedin and the same birth year as Edith Emily TAYLOR.  
*(Reference RGO NZ birth registration 1883 folio & web reg. 1883/4748 line 326 Dunedin district)*

Union Street School

Edith LECKIE birth date 6: 13 October 1888 (error same year as admission) parent/guardian Stuart address Gt. King Street admission date 07 March 1888 register number 0628  
*(Reference Union Street School records Dunedin HKN AG81/U2/0628)*

Agnes and Charles TAYLOR lived at Great King Street Dunedin along with Agnes's parents Margaret and Stewart LECKIE.

Edith Emily TAYLOR should have started school in 1888 the same years as Edith Jane LECKIE but I have been unable to locate any 1888 school records for Edith Emily. The earliest admission date for Edith Emily TAYLOR was 30 January 1890 when she would have been around 7 years of age.

Edith Jane's mother Margaret died 24 May 1889 at Great King Street, Dunedin.

Up to this period I have locate birth and school records for Edith Jane LECKIE but no records for Edith Emily TAYLOR. Then after the death of Margaret LECKIE I can find no records for Edith Jane LECKIE but Edith Emily TAYLOR starts to appear on School records.

I have searched and there is no trace of any New Zealand marriage and/or death registration under the name of Edith Jane LECKIE or any combination of the Christian names. Edith Jane LECKIE was also not recorded as living issue on her mother Margaret's death registration. She also did not appear on her father Stewart's Australian death registration even though it recorded his deceased son Benjamin.

Could Edith Emily TAYLOR actually be Edith Jane LECKIE? This is only theory but the research to date leads me to think that perhaps it could be true. Perhaps after the death of Margaret LECKIE her daughter Agnes TAYLOR took over the care of Edith Jane LECKIE and brought her up as her own daughter Edith Emily TAYLOR.

When Edith Emily TAYLOR married the registration recorded her place of birth as Dunedin but her parent details did not quite match. When Edith's mother Agnes died the death registration recorded her living issue as 1 male age 22 years (Edward age 25) and 1 female age 14 years (Florence). There was no mention of Agnes's other female issue Edith.

Edith's movement can be followed from 1891 onwards from her various school registers.

**THEORY only and has to be researched further**

Edith Jane LECKIE the youngest child of Margaret and Stewart LECKIE may have changed her name to Edith Emily TAYLOR after the death of her mother Margaret. Edith's older sister Agnes TAYLOR may have bought her up as her own daughter under the name Edith Emily TAYLOR.

I have the 1883 birth registration for Edith Jane LECKIE but have not been able to locate any death or marriage registration under any combination of name for Edith Jane LECKIE, Edith LECKIE or Jane LECKIE. There were no details of Edith Jane LECKIE on Margaret Leckie's New Zealand death registration. There were also no details regarding Edith Jane LECKIE on Stewart Leckie's Australian death registration even though it recorded Edith's older brother Benjamin who was deceased.

I have been unable to locate an 1883 birth registration for Edith Emily TAYLOR but have located her death and marriage registration.

Edith Jane LECKIE was admitted to Union Street School Dunedin on 07 March 1888. She did not appear on any other school admission registered after the death of her mother Margaret in 1889.

Edith Emily TAYLOR was admitted to Caversham School on 20 January 1890 but there are no records of her attending school before this date.

Edith Jane LECKIE school admission records record her birth date as 13 October with wrong year. Her birth registration records born 04 January 1883.

Edith Emily TAYLOR school admission records birth date 13 October 1882 & 13 April 1883 & 13 May 1883. There is no birth registration for but her descendants give her birth date as 13 May 1883.

Perhaps Edith was the illegitimate daughter of Agnes TAYLOR nee LECKIE and Agnes's parents Margaret and Stewart LECKIE registered the child as theirs.
