### SILVERSTREAM SCHOOL STORY

Silverstream School was built and opened on Wednesday 02 July 1924 at 9.30 am. The school was built on part Section No 97 and is situated on the corner of Gard Street and Whiteman's Road.

Timaru Herald newspaper 21 March 1884 & 28 May 1924

In 1884 there was a Silverstream School situated in Canterbury district of New Zealand. In 1924 the Canterbury Education Board gave notice that the Silverstream School will be known as Kimbell School.

*(Reference Papers past website Timaru Herald newspaper 21 March 1884 page 2 & 28 May 1924 page 1)*

Perhaps the 1924 opening of the Silverstream School in the Upper Hutt district was responsible for the decision of the Canterbury Education Board to change the name of the other Silverstream School to Kimbell School.

Evening Post newspaper 30 April 1910

The question of a school site at Silverstream was brought under the notice of the Minister of Education (Hon G Fowlds) by Mr Wilford M.P. yesterday. There was said Mr Wilford a block of land suitable for a school on the main road. It backed up against the Heretaunga Railway Station. The Board was satisfied that the site was suitable but the area was owned by the Defence Department and the Crown Lands Department and there was a difficulty in obtaining it.

New Zealand Times newspaper November 1910

Silverstream School Site - A meeting of parents of school children was held at Menzies Hall Silverstream on Wednesday evening when the offer of a school site across the railway from the station was declined owing to the swampy nature of the soil. A protest was entered against the threatened disposal to private individuals of Government land which was originally selected as the most suitable site. After ceding access to the golf links and reserving half an acre for postal purposes there remains nearly three acres which in the opinion of the meeting could not be utilised better than as a school site.

James Nairne established an Art School in Silverstream. The school occupied the former Pumpkin Cottage was often referred to as Silverstream School. It is important to record this as some researchers have confused the Art School with the public Silverstream School.

Before Silverstream School was built the children residing in the Silverstream district attended Upper Hutt School. The children would catch the train from Silverstream railway station to the Upper Hutt railway station. Ever wondered what happened when the trains were not running?

Evening Post newspaper 06 June 1922

Silverstream School - A well-attended meeting of residents of Silverstream and Heretaunga was hold last night to consider what further steps should be taken to secure a school for the district which now sends nearly sixty children to Upper Hutt school. The apathy of the Education Board in the past was condemned as was also the refusal of the Education Department to make the necessary grant. A deputation was appointed to wait on the Minister of Education and on the Education Board. It was further resolved that parents of children present would send their children by the 9.30 train instead of the 8 o'clock which arrives at Upper Hutt forty minutes before school opens. This decision was unanimous and will take effect as from 7th June to 1<sup>st</sup> September.

Silverstream School - Minister's Favourable Reply - A deputation of residents of Silverstream waited upon the Hon. C J Parr Minister of Education and urged upon him the necessity of a school being established at Silverstream. The members of the deputation were - Mrs Gard, Messrs C H Ritzema, F Castle, C Jones, T R Jones, C H Fyffe and W Wakelin. Mr T M Wilford M.P. introduced the deputation.

Silverstream School - In reply to a question asked by Mr T M Wilford (Hutt) the Minister of Education stated yesterday that he would visit Silverstream tomorrow in order to judge whether it would be wise for the Education Department to sell a certain site in order to provide money for the erection of a Silverstream school. He explained that there was some difference of opinion on the matter

Although negotiations began in 1910 to establish a school in the Silverstream district it took another 14 years before a school was built.

### **1924-1934 (01 to 10 years)**

Evening Post newspaper 14 February 1924

Silverstream School - Complaints have been made that there has been delay in commencing the erection of the new Silverstream School. Inquiries made show that the tenders received by the Education Board exceeded the estimate by a fairly substantial amount, but that the board is endeavouring to obtain a better price so as to be able to erect the building for as nearly as possible the amount of the grant. Another difficulty is that the briskness of the building trade in the city at the present time makes it hard to get competent men to accept work at such a distance from Wellington.

*(Reference Papers past website Evening Post newspaper 14 February 1924 page 6)*

Dominion newspaper 14 February 1924

Silverstream School - Still a nebulous nothing - In October last the Minister of Education (Hon. C J Parr) promised Silverstream a school in December tenders were called, but the lowest tender exceeded the Government grant by an inconsiderable amount, since when nothing has been

heard of the job. We did think that by this time, the middle of February, the school would be well under way said one Silverstream resident yesterday, but as far as we are concerned it is a "nebulous nothing." We are still hoping that we will not have to send our children to the Upper Hutt all through another dreary winter.

Dominion newspaper 27 February 1924

Silverstream School - to be built by day labour - A protracted controversy regarding the provision of a school at Silverstream has been settled by a decision to build the school day labour, according to a statement by the MP for the district, Mr W H Field yesterday. The school and furniture will cost about £1400. Work will commence shortly and material is to be on the ground next week.

*(Reference Papers past website Dominion newspaper 27 February 1924 page 1)*

Owing to tenders for the erection of the Silverstream School being much above the estimates the Education Board has decided to build the school with its own workman.

Mrs Scholes and Miss Currie were the first teachers but did not remain very long at the school. Miss Currie was replaced by Miss Matthews a lovable person who taught the primers for many years.

*(Reference Upper Hutt City Library Heritage collection UH Leader 24 November 1960 Volume XVII Number 48)*

Miss Cuddy I believe was actually Miss Currie. Mrs Maud Annie Rendell nee Morris was married to a teacher Mr Charles Arthur Rendell.

According to the November 1924 Education Board Inspectors report the head teacher was O I Scholes and her assistant was Miss Matthews.

There is much confusion about who were the first teachers at Silverstream School but by the end of 1924 it was definitely Mrs Olive Isobel Scholes and Miss Dulcie Evelyn Matthews.

Education Board - Saving by day labour. It was stated that the board had made a good saving by building the new Silverstream School under its own control by day labour. The amount of the grant was £1400 including furniture and the school was a wooden one, of two rooms, built on the latest design. The lowest tender was £1891. The board decided to build the school itself and completed it for £1303. It thus saved £88 after having put in extra work valued at £100.

Beautiful School - Silverstream Transformed - Great improvements have been effected at Silverstream School during the past few months. The grounds originally were on a grassy slope but by a levelling process a football ground is now under construction. A considerable saving has been made by removing the turf and replacing it on the levelled ground. Stone drains have also been laid. A manuka brushwood fence is being placed round the school and a lawsoniana hedge will provide excellent shelter. Borders of flowers particularly chrysanthemums surround the building and there is an artistic gateway of fern-tree trunks set in a trellis work of manuka. Rockeries are dotted about the grounds. In one corner is a group of gum trees which have been cultivated during the past three years. In another numbers of small pine trees provide shade in hot weather. For the young children a sandpit edged with boulders has been constructed. Worked on the principal of two boys to a plot an experimental vegetable garden last year produced onions, beet, carrots, and parsnips. A new position some 300 square yards in area has been chosen for the garden but at present this space is sown with lupins for green manure.

Credit is due to Mrs Ferris who had trained a squad of girls in a gymnasium display which was effectively given. Improvements are still being effected to the schools playing area which with rain would soon beautify the surroundings. Picturesque School - Beautification work at Silverstream - Surrounded by picturesque grounds Silverstream School is a potential candidate for the title of the "garden school" of the Hutt Valley. Although it has a small roll as compared with other schools in the Valley it has extensive playground facilities and these are being developed to their utmost. The school building stands on a slight slope and the adjacent grounds have been laid out in sweeping lawns which closely resemble those of a park reserve. Gravel paths wind their way through the lawns which are dotted with flower beds and rockeries and rustic gates and fences add to the beauty of the surroundings. At the main entrance is a large rustic gate complete with seats which has been fashioned from the trunks of native trees. The boundary facing the railway is bordered with a plantation of young trees while the adjoining side is lined with brushwork compartments which are used for the sheltering of the younger shrubs. The playing facilities are equally well catered for. Besides the two concrete tennis courts a miniature grass court is placed in the grounds for the use of the children when the adults are engaged on the larger courts. Further back a large area is available for Rugby or other sports. Practically all the improvements have been carried out by relief workers under No 5 scheme and from the excellence of the results it is evident that they have taken a keen interest in the beautification of the school grounds.

Concert in aid of School funds – Silverstream Hall Crowded – Under the auspices of the Silverstream School Committee a concert was held in the Silverstream Social Hall on Friday evening last. The hall was full to the doors and the audience was entertained to two good hours of music and variety. Mr Baskett chairman of the School Committee said he was delighted to see such an audience present and he thought the occasion should bring home to them the value of such a hall in their district. It was evident more seating accommodation was necessary as so many people had to stand. Mr Baskett went on to say that Mr J Lauchin had been responsible for the organisation of the programme and the committee's thanks were due to him for bringing forward so much talent. Among those taking part were quite a number of city artists including Cowboy Ross and party of 2YA. Master Bobby McCrea of Heretaunga who gave an interesting exhibition of step dancing was recalled again and again. Miss Francis McGhie the well-known local singer was in great form rendering "The Whistling Waltz," and was enthusiastically received. Mr Volty (elocutionist) kept the audience spellbound in several recitations, and Miss Joan Orr of the Silverstream School sang very sweetly. Community singing during the evening lead by Len Millward on his piano accordion enlivened the proceedings. The accompanists for the evening were Misses M Robertson of Lower Hutt, S Stupples school teacher Silverstream and Mr R McCrea. It is hoped to repeat the concert in Upper Hutt at a later date.

The Silverstream School Committee have decided to give each child attending their school a Coronation medal. The presentations will probably be made the first Saturday after the re-opening of the schools. The funds to procure these medals was raised by donations from the Silverstream people and also partially by a concert recently held in the district. We are hopeful that other schools in the district will be able to do something similar as a remembrance of the Coronation.

Gala Day at Silverstream School - Coronation Commemoration Medals Presented - The children of the Silverstream School will have happy memories of this year's King's Birthday in that it was a

day of sports and presentations. Over one hundred children were present with their parents. The afternoon commenced with sports and some very good racing was witnessed. Afterwards the children were taken into the school and each child received a bag of lollies, a bag of fruit and some soft drinks. Afternoon tea was provided for the parents by the teaching staff. Mr Baskett chairman of the School Committee in a short speech said the combined committee had worked hard to give the children something in commemoration of His Majesty's Coronation and after careful consideration they had decided to give each child attending the school a commemoration medal. The whole thing was made possible by the people of Silverstream who had contributed to the costs of the medals and the prizes. Continuing Mr Baskett said he had one duty to perform before presenting the medals and that was to make a small presentation to Miss Smith who had been one of their teaching staff for the past two years and had now been transferred to the Upper Hutt. The presentation took the form of a dressing table clock. Miss Smith replying said she was completely taken by surprise to receive such a nice gift and in thanking the committee stated that although she was leaving the Silverstream School she would still be living in the district and would always be willing to assist the school in the way of entertainments and sports. The prizes won by the pupils at the sports were presented by Mrs Eaves wife of the Headmaster who congratulated the children on their running. The headmaster gave an address on the definition of Coronation Day remarking that it was an occasion that came very seldom in people's lives. He recommended the children always to keep it in their memory as a day of days. One hundred and eleven children were recipients of a medal and it was stated that each member of the teaching- staff is also to receive a special medal from the committees. [Miss J Smith school staff was listed as attending the function].

Farewell to Teacher – a number of friends assembles at the Silverstream School recently to bid farewell to Miss Shallcrass who has been on the staff of the school for over ten years. Mr Eves Headmaster on behalf of the staff said Miss Shallcrass possessed three important characteristics, punctuality, conscientiousness and willingness and that the school had been set an example worthy of imitation. Mr Baskett on behalf of the school committee said that as chairman for some years he could speak with sincerity of Miss Shallcrass's influence over her pupils. She had done her duty faithfully and more than her duty for the benefit of the school said Mr Baskett. He was glad that the children, committee and district had recognised Miss Shallcrass worth, and as recognition he asked four of her oldest pupils to present her with an enamelled chromium toilet set, with hand painted accessories, also a fruit bowl. Miss Shallcrass fittingly responded thanking the donors for their beautiful gifts and the speakers for their kind appreciation. She specially thanked Mrs Baskett infant mistress, for arranging the party for her. Mr Jeficoate on behalf of the sports bodies said the members who had been pupils of Silverstream School were in every way a credit to their school training, and it spoke volumes for the good the school staff was doing. Vocal items were given by Mesdames Jeffcoate, Evers-Swindell and a monologue by Miss Smith. The children contributed songs and recitation. Afternoon tea was dispensed and a happy function closed with musical honours on Miss Shallcrass's behalf.

Silverstream School Concert - A concert of outstanding merit was given recently by the pupils of the Silverstream School assisted by pupils of Miss Stupples (fancy dancing) and pupils of Mr Jackson (cornet items). The accompanists were Mrs Baskette (infant mistress) and Miss Lowe (assistant). Miss Connolly performed some delightful fancy dancing. The programme was well varied and the standard of performance reflected great credit on the pupils of the school and all those associated with the concert. At the conclusion of the performance addresses of appreciation were given by the headmaster Mr Eves and the chairman of the school committee (Mr Smith). Mr Smith announced that Mrs Baskett infant mistress intended to resign from her position and he said her departure would be a severe loss to the school. He presented her on behalf of the committee, with a leather case and a box of linen as a mark of respect and esteem. (Reference Papers past website Evening Post newspaper 10 December 1938 page 15)

Headmaster Farewelled - The headmaster of Silverstream School Mr C A Eves was recently farewelled by parents and pupils when he severed his connection with the school after 13 years' service. The new headmaster Mr Fryer/Raisher formerly of Auckland was also welcomed. Reference was made by several speakers to the happy relations that had existed between Mr Eves the pupils, staff, and parents and Mr and Mrs Eves were the recipients of presentations. A number of musical items were presented during the evening. (Reference Papers past website Evening Post newspaper 29 May 1940 page 11)

School Anniversary - Ceremony at Silverstream - The queen carnival held to celebrate the 21st anniversary of the Silverstream School concluded recently and the result of the six weeks campaign for funds which will go towards the building of school baths was successful beyond expectation. The local hall was packed for the crowning ceremony at which Mrs Castle the wife of the first chairman of the Silverstream school committee presided. Miss Nola Kenny princess of the Silverstream district, who was the successful candidate, thanked her supporters and congratulated the candidates from surrounding districts. The birthday cake was cut and at the conclusion of the programme the chairman of the school committee thanked all those who had supported the carnival. Music for the ceremony was provided by an orchestra from Pinehaven. The ceremony was enacted by pupils of the school who had been trained by Mrs Hendry with a band of helpers and the excellence of the setting and costuming earned the appreciation of the large audience. Silverstream School - The news that an assembly hall was opened at the Silverstream School has prompted us to put to pen and paper some of the impressions and experiences of a first day pupil. We write from memory and sincerely trust that our facts after 36½ years are correct, writes "Foundation Pupil" in this account of the early days at Silverstream School. The advent of a school at Silverstream came about by the enthusiasm of the parents and their insistence that

Upper Hutt School was too far away. Children had to catch a train leaving Silverstream at 8.10 am and did not arrive back until after 3.30 pm a very long day for youngsters. We cannot tell you of the uphill battles that took place between the Education Board and the settlers for we were too young but suffice it to say the school became a reality and opened in July 1924 with two rooms and a small office which is now part of the main corridor. Mrs Scholes and Miss Currie were the first teachers but did not remain very long at the school. Miss Currie was replaced by Miss Matthews a lovable person who taught the primers for many years. She endeared herself to parents and pupils alike and when she died at a somewhat early age was widely mourned. The first term of 1925 found Mr James Fanning as headmaster. His was an era of tremendous expansion. The school roll grew to such an extent that it was necessary for an extra room to be added at the end of 1926 and Miss Shallcross joined the staff and taught Standards 1, 2 and 3. She also was well loved by everybody and remained for a long time. Unfortunately for Silverstream and the school in particular Mr Fanning decided to take Holy Orders and left for Australia. The school was the poorer for losing such an able character a good teacher a very keen cricket and football coach and a good friend the school really prospered under his leadership. Following him Mr Read came to relieve for some three months or so. He was nothing if not a humourist and there will be many who will remember the tennis ball or the chalk which would come hurtling to the back of the room if things got a wee bit noisy. His amusing interpretations when reading to the class are not easily forgotten and he had a ready wit at all times. Trentham School was opened about this time and his wife also a teacher was on the staff of that school and eventually became head. This event also marked a drop in the roll of Silverstream which was not overtaken for some years. Mr Read was followed by Mr C A Eves. He will be well remembered by many ex-pupils of more modern vintage.

During the years we have mentioned (1924 to 1929) the school also had on its staff Mr Jack Lamason then a pupil teacher. Everybody knows Jack and his prowess as a footballer, cricketer, radio sports commentator and teacher. When he left he was replaced by Mr Redmond a fine character who showed great interest in all the school activities. Those early years saw some staggering advancement in the district. As the original school was being built we remember the final stages of the electricity and water reticulation along the main road and adjacent areas. The sealing of the main road with that fine bitumen strip between Upper Hutt and Silverstream which still remains to this day as the basis of the present road. The middle of the main road never needs repairing. Some memories are worthy of recording the forts we built in the giant gorse plantation on the area now known as Gard Street, the raids on Miss Ecclesfield's orchard at the top end of Whiteman's Valley Road, the children who rode to school on their ponies and grazed them on the playground during school hours. "Mad Dick" an eccentric tramp who walked round the streets sometimes drunk sometimes sober. He inhabited the old coaching stable behind what is now a block of shops on the main road just south of the Heretaunga Post Office. We were really frightened of "Mad Dick" and if we knew he was abroad we walked home via the railway line. The day construction of St. Patrick's College commenced on the site of the old Maori cemetery. Other memories include birds nesting in the bottom paddocks of Perry's farm. Two brothers who shall be nameless were rather apt to play truant. One day Mr Fanning decided to unleash all the available boys in an effort to track down the delinquents who were discovered hiding in the old tip at the corner of Whiteman's Valley Road. Somehow they managed to make their getaway and a wild dash up the main road as far as Gloucester Road by pursuers and pursued ended in summary justice for the offenders. They were manhandled back to school in a not too gentle manner. We well remember the irregular but very interesting visits of the Education Board's science master a tall striking looking man with a fund of knowledge and the annual visit to the school of the Health Department's lady doctors, usually Dr Elizabeth Gunn and her assistant. Also remembered was weekly visit to the Petone woodwork centre and the 3d [pence] worth of fish and chips we bought on the way home, a big parcel which was usually consumed while running to catch the train at Petone. The Silverstream School Parent Teachers Association is to be congratulated on its project which in the years to come will prove useful to the school and an asset to the district.

#### **Mr READ Principal reliever late 1920s**

#Following him Mr Read came to relieve for some three months or so. He was nothing if not a humourist and there will be many who will remember the tennis ball or the chalk which would come hurtling to the back of the room if things got a wee bit noisy. His amusing interpretations when reading to the class are not easily forgotten and he had a ready wit at all times. Trentham School was opened about this time and his wife also a teacher was on the staff of that school and eventually became head. This event also marked a drop in the roll of Silverstream which was not overtaken for some years. Mr Read was followed by Mr C A Eves. He will be well remembered by many ex-pupils of more modern vintage reference Upper Hutt City Library newspaper 24 November 1960 Volume XVII Number 48

#Farewell to Teacher – A number of friends assembled at the Silverstream School recently to bid farewell to Miss Shallcrass who has been on the staff of the school for over ten years. Mr Eves headmaster on behalf of the staff said Miss Shallcrass possessed three important characteristics punctuality, conscientiousness and willingness and that the school had been set an example worthy of imitation. Mr Baskett on behalf of the school committee said that as chairman for some years he could speak with sincerity of Miss Shallcrass influence over her pupils. She had done her duty faithfully and more than her duty for the benefit of the school said Mr Baskett. He was glad that the children, committee and district had recognised Miss Shallcrass worth and as recognition he asked four of her oldest pupils to present her with an enamelled chromium toilet set with hand painted accessories also a fruit bowl. Miss Shallcrass fittingly responded thanking the donors for their beautiful gifts and the speakers for their kind appreciation. She specially thanked Mrs Baskett infant mistress for arranging the party for her. Mr Jeffcoate on behalf of the sports bodies said the members who have been pupils of Silverstream School were in every way a credit to their school training and it spoke volumes for the good the school staff was doing. Vocal items were given by Mesdames Jeffcoate, Evers-Swindell and a monologue by Miss Smith. The children contributed songs and recitations. Afternoon tea was dispensed and a happy function closed with musical honours on Miss Shallcrass behalf reference Papers past website Evening Post newspaper 05 July 1937 page 16

#### **Miss SMITH teacher 1935-1937**

#Mr Baskett said he had one duty to perform before presenting the medals and that was to make a small presentation to Miss Smith who had been one of their teaching staff for the past two years and had now been transferred to the Upper Hutt. The presentation took the form of a dressing table clock. Miss Smith replying said she was completely taken by surprise to receive such a nice gift and in thanking the committee stated that although she was leaving the Silverstream School she would still be living in the district and would always be willing to assist the school in the way of entertainments and sports. #Silverstream School Concert - A concert of outstanding merit was given recently by the pupils of the Silverstream School assisted by pupils of Miss Stupples (fancy dancing) and pupils of Mr Jackson (cornet items). The accompanists were Mrs Baskette (infant mistress) and Miss Lowe (assistant). Miss Connolly performed some delightful fancy dancing. The programme was well varied and the standard of performance reflected great credit on the pupils of the school and all those associated with the concert. At the conclusion of the performance addresses of appreciation were given by the headmaster Mr Eves and the chairman of the school committee (Mr Smith). Mr Smith announced that Mrs Baskett infant mistress intended to resign from her position and he said her departure would be a severe loss to the school. He presented her on behalf of the committee, with a leather case and a box of linen as a mark of respect and esteem reference Papers past website Evening Post newspaper 10 December 1938 page 15

Question: In 1910 where was this Silverstream School playground? This was before the Silverstream School was opened in 1924. Perhaps they are referring to James Nairn's Art school which was also known as Silverstream School.

Rita Biel was the first child to enrol at Silverstream School and her sister Queenie Biel was the second to enrol on the 02 July 1924. Their father was Henry Biel and the family lived in Trentham.

The Silverstream School admission registers from 02 July 1924 to 31 January 2005 were transcribed by the Hutt and Wellington branches of New Zealand Society of Genealogists. A copy of the Excel spread sheet was saved on a CD and is held at the Silverstream School. The transcriptions on the Excel Spread sheet has been sorted into surname alphabetical order.

The foundation pupils of Silverstream School who enrolled on the 02 July 1924 starting from register number [1] from register number [74] they enrolled after the 02 July but in 1924.

**Silverstream School Hero** - A Log on the Line - Schoolboy stops train - Incident at Silverstream  
The other day a scholar from Silverstream School was going homeward along the railway line when he noticed that a log had slipped from the hill side and blocked the track at a turn in the line between Silverstream station and the bridge. The youngster went on towards the incoming train (2.5 pm from Lambton) and signalled the driver who managed to pull up within a foot or two of the obstacle.

**Streets = Gard Street** was named after William George Gard. William (1849-1927) was an early settler and owner of the first store situated in the Silverstream district. William and his wife Sarah Ann (nee Hookham 1853-1920) had eight children. In April 1930 the Upper Hutt Borough Council decided that "The recently constructed street connecting Gloucester and Bathurst Streets at Silverstream was named Gard Street". About this time the Council wanted to change the name of Whiteman's Valley Road to Bathurst Street but the locals objected. Gard Street is now situated between Gloucester and Whiteman's Road formerly Whiteman's Valley Road. The first St Mary's Church was built on land previously owned by W G Gard. Gard Street was recorded in the Wises NZ Post Office Directory 1955-1962.

*(Reference Upper Hutt Streets – the stories behind their names by Lynly Lessels Yates published 2023 page 54)*

**Streets = Whiteman's Road** was named after George Whiteman. George (1828-1905) discovered a valley while pig hunting in the Stokes Valley hills. The authorities named it Whiteman's Valley after the discovery. Between 1871 and 1875 George and his brother William established farms in Whiteman's Valley. Over the years many Whiteman descendants including John M Whiteman have farmed the valley. In the early years Whiteman's Valley Road began at Silverstream, went up over the hill into and along the valley. The stretch of road from the Silverstream to the bottom of the hill was once named Whiteman's Valley Road but later the authorities renamed it Whiteman's Road.

**Whirinaki Church** built in 1859 on Native Reserve Section No 84

**Whirinaki ururpa** was situated behind the Whirinaki Church
