William Gardner departed England and arrived 04 November 1842 Nelson New Zealand along with parents Thomas and Ann Slater and siblings Mary Ann born 1835 and Thomas born 1842 both in Worcestershire England. William had another two siblings Robert born 1847 New Zealand and Frederick born 1850 New Zealand. Please note that this information came from a website and I believe it is incorrect as another website recorded the death of William's mother 1844 in Nelson and the above Robert and Frederick were born after this date. Additional research will have to be done to confirm these details. There is a "Ann GARDNER died July 1844 wife of Thomas Gardner aged 31 years died Waimea South Nelson New Zealand.
