Deserters - A few Forest Rangers deserted. The circumstances for their absences are not known but the wait for titles of land grants and disillusionment over their land grants may have been contributing factors. The eight known deserters were Thomas Anderson, William Bourke, William Cochrane, James Dunn, William Hartland, William Humphries, Moses McDonald, John Murray and possible George Vart.

Deserters - A few Forest Rangers deserted. The circumstances for their absences are not known but the wait for titles of land grants and disillusionment over their land grants may have been contributing factors. The eight known deserters were Thomas Anderson, William Bourke,

William Cochrane, James Dunn, William Hartland, William Humphries, Moses McDonald, John Murray and possible George Vart.
